

## Letter of recommendation

To whom this may concern,

It is my pleasure to recommend Anna van Haastrecht. Her performance working as a Web Editor for TravelBird proved that she will be a valuable addition to any company. Anna was employed in our office from 01/07/2014 to 01/01/2015.

TravelBird is a rapidly expanding business offering holiday deals. TravelBird features the most competitively priced holidays online every day in 17 different countries across Europe. The deals vary from sun holidays and city trips, to theatre tickets and spa treatments. This concept has proven to be popular and lucrative allowing a growth from 2 to over 450 employees in the past four years.

Writing commercial deals for the Dutch TravelBird Website and creating interactive posts for the TravelBird Facebook page were part of her daily duties.

Anna did a good job in this position. She has excellent writing and is very creative. Anna is able to face different tasks and priorities, she is able to make decisions on her own, but also if needed she consults with others. Anna is very logical, with common sense and empathy.

I would recommend her to any future employment which involves the need for qualities mentioned above.

We wish Anna all the best for her future and would like to thank her for her effort and contributions.

Amsterdam,
